January/February 2020

Editor's Report

Welcome to our first SFTHM for 2020!!

Well ... as you can tell, 2020 has got away from me! I hope 2020 is going to plan (if you have one!) & that everyone has had some rain!

The year has already got off to a great start, with the **National Clydesdale & Heavy Horse Festival (NC&HHF)** being held at Werribee Park on 18 & 19 January. The Festival is getting bigger & better every year & the organizing committee did a truly amazing job in making this unique event such a spectacle & success!!! Nothing was too much trouble for the Committee – even the weather was perfect!! The meal & auction night was again well attended, with over 200 meals being served! Huge **"Thank You"** to Chef Dave & all his helpers! **Congratulations** to all involved! Hoping to have some photos to distribute soon! Planning for the 2021 event has already commenced – so if you think you would like to get involved or contribute in some way – please get in touch!

I encourage everyone to go online & have a look at our fresh **NEW WEBSITE!** The Victorian Branch are extremely grateful to David McIntyre from Programmable Soda for his expertise & care in developing the new website. Thank you also to Barb Ford & all others that have contributed to sourcing & reviewing content.

There are many events being planned for the coming year! The Victorian Branch Committee met on 9 February & amongst other things, discussed judges for 2020 RMS, Training Days, & reviewing the NC&HHF. We urge our members to get involved & help to make these events a success!

The **43rd Annual Castlemaine Mare, Filly & Foal Show** will be held on **26 April 2020**. This is a great event to see our up & coming foals out & about. More information to follow.

Thank you to all members for your support & input to SFTHM throughout 2019. The more you send in – the more interesting & relevant our newsletters are – so **'Thank You'** & keep it coming!
