

# Commonwealth Clydesdale Horse Society of WA

Welcome all Members old and new to the April Newsletter.

WOW, what a Month we have had! Firstly, would like to start with hope you are all keeping safe and well and coping with what is going on in our world at the moment.

As you all know we has to postpone the State Show due to the Covid-19 and also the small clinic we were going to hold, but we are hoping to be able to get back up and running once this is all over and boy are we looking forward to that.

We encourage all members to get involved and to be a part of the society, we welcome any and all suggestions on how to better the society and all will be discussed within our committee meetings and with you all.

Message from our Chairperson Susan Bager-

Hi lovely members,

I hope everyone is safe and well.

As everyone is aware covid-19 has stopped a lot of events recently, please know that as soon as things settle and it is safe to do so we will go ahead with our State show and a clinic as promised.

Our main concern is everyone's health and safety, so for now keep enjoying your fluffy feet at home and hopefully we can all get together soon.
