Welcome to the June Newsletter

Chairman Message

Hello members Old and New, Hope everyone is safe and well.

Now with the eased restrictions we are hoping to bring some fun back, Please see in the member news some of the things we have planned so far, we may have to make slight changes given government rules but we will let you know as we do, also with the AGM coming up you may have a new committee so any plans made now may change slightly if need be.

Please all also be aware there will be strict code of conduct and bullying and harassment policies in place at the AGM meeting

Our members list is growing slowly which is super exciting to see.

Hope to see you all soon Take care, Susan
