Message from our Chairperson Susan Bager-

Hi Members, Our first meeting went well! I hope everyone got the minutes.

Our newsletters will come out the first week of every month.

Some exciting things coming up and lots of new things for the Society.

I invite all members old and new to our newly formed state show in April, I hope to see everyone there with their gorgeous horses.

Any questions or issues please do not hesitate to email me at clydesdalewa@gmail.com.

Lastly, I'd like to thank the hardworking committee that has just come on. These are all volunteers and Phil, Sue, Tammie and Bronwyn have not stopped. It takes a team to build an empire and boy do we have a great team on board. Onwards and Upwards!!

Member News

We now have a Chip Reader/Payment device that we can use at the shows, we will also be buying a tablet that we can connect this to, this will make things a lot easier and means we won't always have to be carrying cash when out showing etc.

We are looking forward to meeting our judge Viv Simmons for the state show on the 18/19 April she is travelling from NZ, She has a lot of experience with Clydesdales and will be a great asset to the show.

There will also be stalls, raffles and lots more at the State Show it is all coming together and is looking to be a great weekend.

We also have a few Auctions going on at the moment via the facebook page, log on and have a look and place your bids, there is an amazing auction item currently a Swan valley Delux Wagon tour Very generously donated by Swan Valley wagon tours.

Fundraising

We had a big weekend at the APSB show on the weekend running the canteen raising money for our April State Show, thank you to Phil who spent the whole weekend there, Susan, Tammie and family (Chelsea, Paige and Dean) and Mandy and Bec for all your help We were able to raise just over \$800.00 over the weekend which will be a huge help for our Show, Thank you APSB for giving us this opportunity.

We need to do alot of fundraising events to be able to put on the Clinics etc that have been requested and for this we need members to commit to helping out even just for a couple of hours anything helps, we are unable to put on the clinics/shows without the support and help from ALL members.

Bronwyn will be organizing a Bunnings sausage sizzle in the near future would love to hear from even just a couple of you to assist us in selling on the day.

Merchandise

We have started selling some merchandise to try to get some money coming in, we have lots of different items have a look on the facebook page and email clydesdalewa@gmail.com to order.

Also we have sourced some polo shirts which we can order for \$45.00, email clydesdalewa@gmail.com to place your order.

Sponsors

We would like to give a big Thank you to all our sponsors, we have received some very generous donations for our show and will be sending each of them a thank you card after the show.

Fun Fact

Did you know the Clydesdale horse was once on the endangered list, thanks to many international organizations, today there is more than 5,000 have been registered. In Australia we have above 3,000 and that is enough to be considered 'safe'. How amazing that we could have nearly lost this beautiful breed, another reason to support our society and make it grow 😊

Conclusion

Thanks everyone, we are really hoping we can get this society moving forward, with lots of members support, helping out, stepping up and just generally wanting the society to work. We are all here to share the same passion, let's make it fun and exciting and worth all the hard work we are putting in.
