CLYDESDALE & HEAVY HORSE FIELD DAYS

A TRIBUTE TO DON ROSS

Sincere apologies to members for being quiet on the Newsletter front, one forgets that even though facebook is instant and most of our members or Clydesdale exhibitors are posting their results the day of the show, so for those that are not Facebookians we apologise.

All members will have been receiving updates from our Secretary with regards to the sad loss of our Patron Don Ross and his memorial service that was held at Albion Park Paceway.

With regards to newsletters they are only as good as the content put in them, and the content that is sent to us by members, we rely on you our members to send content to us to put into a newsletter. Otherwise we have to go searching facebook to see what our members are doing which involves hours of work and most of the time it involves stalking facebook pages to get content and photos to put in the newsletters.

So we call out to all members to send us anything of interest Clydesdales, no matter what from all areas of Qld, we would love to hear from you. Send us photos, stories etc.

You might note that we have a new more modern logo above, we hope you like it.

A TRIP AROUND THE SHOWS

DARLING DOWNS HEAVY HORSE FESTIVAL

&

CLYDESDALE & HEAVY HORSE FIELD DAYS

It has been a couple of busy months for Clydesdale Exhibitors at shows recently, we are fortunate to have a couple of great shows for Clydesdale breeders and exhibitors to attend.

The first being the **Darling Downs Heavy Horse Festival**, a wonderful show with a great atmosphere and to finish the day on the Saturday night a great meal with entertainment. A well run show with great classes.

Clydesdales were very well represented at the festival with about 38 entries in the led classes (and quite a few more that only competed in working or ridden events) so even with a few scratching's there were good numbers parading before the Judge, Mr Tony Riley.

Grand Champion Clydesdale award which was won by Duneske Flash Pearl - exhibited by Duneske Clydesdales. Following is a compilation of photos of the horses being shown at Allora.
